

Product Specifications

Collection	Lite
Construction	SPC core
Edge Profile	Micro Beveled Edge
Nominal Dimensions	7" wide, 48" long
Physical Properties	
Actual Product Width	7.09"
Actual Product Length	48.03"
Wear Layer	0.5mm (20 MIL)
Overall Product Thickness	5.2mm
Core Thickness	4.2mm SPC Core
Attached Underlayment	1mm IXPE Underlayment
Finish	UV Acrylic
Installation Methods	Floating
Profile	Valinge 2G - Angle System
Country of Origin	Imported
IIC - Impact Insulation	IIC - 65
STC - Sound Transmission	STC - 61

Packaging

Area per Box	23.64 sq ft
Pieces per Box	10 pcs
Weight per Box	40 lbs
Boxes per Pallet	55 boxes
